## ARE YOU...

- Interested in Evangelism?
- Keen to share your Faith with others, but don't feel able to?
- Eager to work with your local church in outreach but don't know where to start?
- Think that you may be gifted by God as an Evangelist?

If you can say 'yes' to any or all of these questions then **STREETWISE** is for *YOU*

**STREETWISE** is a course run over a period of six months in order to cause minimum disruption to your normal schedule. It will sharpen your evangelistic skills and give you the opportunity of being taught by and work with experienced Evangelists. Completing the course will mean you will have the confidence and ability to communicate the Gospel on the streets, to children, teenagers and adults. As a consequence you will be a more effective worker in your local church.
